The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 was a disappointing season which was entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the newly instigated playoffs.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

From the editor

I'd like to wish you all a warm welcome to this evenings match. I'd especially like to welcome the Supporters, officials and players from today's visitors Frimley Green.

Another Cup game at Krooner park this evening this time it is the Southern Combination cup.

The competition was formed on 12 March 1958, originally including the word 'Amateur' in its title, and is run independently of any league (although has ties with the Combined Counties League). Any club within 25 miles of Weybridge eligible to apply to take part. It is not connected with the Southern Combination League, from which one club has entered this season.

This season's edition includes clubs from steps 4, 5, & 6 [no step 2, 3, or '7' sides entered this season], and from four different leagues. All this season's member clubs are parented to the Surrey FA, except Balham (London FA) and Reading City (Berks & Bucks FA).

Two closing dates are given for each round - the first being the 'official' closing date, and the second being the guideline circulated to clubs. However, since it takes no priority over other competitions, these can unfortunately slip, especially if there is bad weather, or member clubs enjoy good runs in other cups.

Frimley Green

Formed : 1919

Home Ground : Recreation Ground

Current Season : 2nd Wessex League Division one

The club was founded in 1919 and currently play at Frimley Green Recreation Ground. The present clubhouse was erected in 1972 when 'The Green' played in the London Spartan League and used a pitch on the lower part of the park with the changing rooms where the car park now is. A few years later a new pitch was laid adjacent to the clubhouse and changing rooms were added. The Reserve Team joined the Combined Counties League in 1979 and at the start of the 1981/82 season the First Team switched across and Floodlights were installed for the first time. The Club competed in the League for a period of 15 years, during which time they won the Dan Air Elite Cup and the Reserves won the Division One Challenge Cup. In 1994 the club voluntarily dropped down into the Surrey Intermediate League (Western). After four seasons of consolidation the club joined the Surrey Premier League in 1999, after finishing unners-up and winning the League Cup. Off the field new Floodlights were installed. A 3year spell followed, in the renamed Surrey Senior League, which saw the club finish fourth, sixth and Runners –up and attain promotion back into the Combined Counties League where they have played since. Season 2004-05 was the most successful to date, finishing in 15th Place with 58 points. Season 2005-06 was very disappointing on the playing front but we managed to avoid finishing in a relegation position, however, were demoted on 'ground grading', to make way for 7 clubs from the old Ryman Division two. In the next 4 seasons in Division One we had mixed fortunes, finishing 6th at the end of season 2007/08 but then in season 2008/09 finished 3rd from bottom but had our most successful season ever in the FA Vase, reaching the third round and won an FA Cup match for the first time. In season 2009/10 we managed to finish high enough up the table to retain our FA Cup place but 2010/11 was a poor season. 2011/12 saw the appointment of Paul Miles and Ian Maynard mid-season and in 2012/13 we won the Division One title and won 3 FA Vase games along the way. In 2013/14 Paul and Ian left us and this led to a turbulent couple of seasons and relegation. 2015/16 saw another mid-table finish. During 2016/17 John Cook and Jamie Daltry took over and in 2017/18 Roland Baker joined the coaching team. Season 2018/19 saw us finish second by 1 point to earn promotion and win the Division One cup, remaining unbeaten at home in the League all season. The 2019/20 and 2020/21 seasons were cancelled by Covid 19 but we did have good runs in both FA Cup and Vase, before the lockdowns. Season 2021/2022 saw a new management team of Nick Thumwood and Steve Brown in the CCFL Prem Division South where we finished 17th but reached the 3rd round of the FA Vase for only the second time in our history. Season 2022/23 we had a poor start and parted company with Nick and Steve with James Markham stepping up from the U23's to run the first team but was unable to avoid relegation. For the 2023/24 season we appointed Kris Hatton for our first time in the Wessex League Division One. Last season was a struggle, but we did enough to avoid relegation and Kris Hatton has added Ricky Mallett and James Reeves to his team and brought in new faces and some returning old faces for the new campaign. We have reinstated the Reserves under Matt Moore and Rosan Rai in the Suburban League and Toby Harris and James Ferguson are running the U18's in the Allied Counties League. Off the pitch James Markham has stepped up to role of Chairman with Mike Hills as Vice Chairman.

PLAYER SPONSORSHIP

Player sponsorship packages are now available for the 2024/25 season. Not only is this another fantastic way to affiliate your business with our players, maximising publicity for your company, but also an opportunity to have a positive impact on a player's season as the funds raised from player sponsorship goes directly towards the little extras that help make playing for Camberley Town one of the best experiences around.

Player Sponsorship Includes:

- Two free tickets to attend a league game of your choosing.
- Have your name / logo / personal message on the players sponsors page on our official website, as well as a click through link to the sponsors website if applicable.
- You will also get your company name / logo / personal message underneath the player's photograph on the Players Sponsors' board in the clubhouse.
- Every time the player scores or wins the Player of the Month award your company logo / personal message will be advertised on the clubs social media account.
- Entry in to the 'Sponsor of the Month' draw, where the winning sponsor will receive a free extended sales pitch on the club's social media account OR two free tickets to a league match in the following month.
- Have your name / logo / personal message connected to the player in the E-Programme.

All Players - £50

Email the club at info@camberleytownfc.co.uk to make the arrangements to fix your sponsorship.

WE NEED YOU

We are after people to join our Media team. We are now covered by a videographer, but we really need a photographer, we could also do with someone to write match reports and help compile the matchday programme. It would be great to have write ups to send to local papers and other outlets. Someone willing to up our Reels output would be good too. If you fancy any of those please get in touch. info@cambeleytownfc.co.uk

Redevelopment

After lots a behind the scenes work we are pleased to show you pictures of plans for the future of Krooner Park. It's been a long time coming, and we are now in the hands of the council to give us the go ahead. More information is available on the Surrey Heath planning website (Search Krooner)

This is something the club wants and needs to secure the future we all want to see, it is also a great opportunity to show Camberley the town has something to be proud of.
