#TheKrooners

From the editor

I'd like to wish you all a warm welcome to Krooner Park for this evenings match. I'd especially like to welcome the Players, Supporters, and officials from todays visitors Tadley Calleva.

Tadley are one of our first return fixtures this season and we'll be trying to go one better than the draw at Barlows Park where they got an injury time equaliser. Probably a fair result in the end though. Tadley Calleva will be a tough test as usual and we'll need to be at our best to get the result.

I'd like to mention our YouTube page where we are now putting highlights of our games. We can always do every match but Billy our Videographer does his best to get to as many as he can. (unless it was like Saturday against Cobham when the weather just wasn't good for camera equipment).

As you may have seen on Social media Regan Hitch, who although hasn't been in a Krooners shirt for a while suffered a bad injury last week and could really do with your support. There is a go Fund me page been set up for him as he will not just be missing football but he won't be able to work for a long time, could be as much as 2 years. If you are able to help no amount is too small please do <https://gofund.me/0e84ec8f>

If you are able we are always looking for sponsors. We have a number of packages available, Ball sponsorship, Match day, players, Programme, hoardings. Social media. Be it individual or a company we will be able to find something that works. Please drop us an e-mail at info@camberleytownfc.co.uk

Redevelopment

After lots a behind the scenes work we are pleased to show you pictures of plans for the future of Krooner Park. It's been a long time coming, and we are now in the hands of the council to give us the go ahead. More information is available on the Surrey Heath planning website (Search Krooner)

This is something the club wants and needs to secure the future we all want to see, it is also a great opportunity to show Camberley the town has something to be proud of.

It would be great if you feel able to go to the planning page of Surrey Heath council and show some support for this project (application24/0738/FFU) , this is something that will keep the club going for many years. We have been at Krooner park for 100 years and without something like this who knows what the future holds. Not to mention hundreds of children who could benefit from this facility.

2023 - 2024 | 15th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 was a disappointing season which was entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the newly instigated playoffs.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

CAN YOU HELP?

Tadley Calleva

Formed : 1989

Home Ground : Barlows Park

Last Season :4th Combined Counties South

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two. The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division. The Reserve side was also highly successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons.

In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division. They have also reached the final of the North Hants Senior Cup in the last two seasons; losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

The club achieved its ambition of gaining promotion to the Wessex League Premier Division in 2018-19 season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field. Tadley finished 8th in their first season.

Tadley were lying 13th after 28 games in season in 2019-20. The season finished in March due to Corona virus.

In 2020-21 Tadley had a change in Secretary, after many years Dean Newton step down. The club would like to place on record are thanks for the work and time put in by Dean. Wayne Chivers stepped as temporary secretary. After no one come forward, Wayne took it up on a full time basis. In 2020/21 Tadley had their best run in the FA cup in the club's history, team manager Adam Clarke saw the club reach the First qualifying round.

In 2021/22 Tadley Calleva has seen a change in league and management, the club has joined the Combined Counties League. This was due to the FA restructuring at Steps 4-6. Adam Clarke had to step down due to work commitments, we wished Adam the best of luck. Joe Lawler & Ben Dillon was named as joint first team managers 2021/22 season. We have enjoyed a good run under the joint managers for the past 2 and half seasons.

The Green Ballet

By the 1920s, tours by European teams in South America were becoming old hat. The visits that had once enlivened the sport, especially in Argentina, were seen as adding nothing to the development of the game. Where once these tours had delivered record crowds and new ideas to South American fans, their popularity was waning. Chelsea and Plymouth were singled out, but hardly unique, of British teams failing to offer anything innovative. Visits from Real Madrid, Barcelona and Espanyol were similarly disappointing. So it said something about the burgeoning future of the European game that, in 1929, excitement was restored, with the visit of Hungarian side Ferencvaros.

Football in Austria and Hungary had been developing a unique style since before the First World War, driven by the visionary work of Austrian Hugo Meisl and Englishman Jimmy Hogan. The Danubian school of a whirlwind of passes and movement would make Austria the envy of the world in the following decade, and culminated in the 1950s Golden Team of Hungary that defeated England at Wembley in 1953 and lost the 1954 World Cup final. In 1929, however, it was just beginning to show shoots of success.

Ferencvaros had finished second in Hungary that season, and won the league in the three preceding years. They were fresh from winning the Mitropa Cup, one of the forerunners of the European Cup. But Argentina felt hard done by to have lost the Olympic final to fierce rivals Uruguay in 1928, and would feel even worse when losing to the same opponents in the first World Cup final in 1930. The Danubian school hadn't achieved any real international success. The balance of international footballing power was most certainly in South America when the Green Ballet arrived, first in Brazil.

Despite some mixed results - the consequence of a long journey - the Brazilian press lauded them as the most exciting side to visit the continent in years. They moved their way down the coast to the Rio de la Plata, where the two giants of 1920s football were waiting for them. Argentinian football had been following the Danubian school for some years, with reporters in Vienna keeping readers up to date. Hugo Meisl had invited both Uruguay and Argentina to visit the city after watching them at the Olympics, to exchange ideas. That visit had never happened, but now his ideas had arrived at the home of the World Champions.

As it was, the World Champions were as dazzled by Ferencvaros as the rest of the world, as Uruguay lost 3-2. The Hungarians defeated a Montevideo XI 4-1, before Uruguay claimed revenge in a rematch. The tour continued across the river into Argentina, where just 5000 people turned up to watch them play River Plate, something the national newspaper called 'an injustice of indifference'.

Those that did attend were treated to a spectacular, topsy-turvy game that finished 4-3 to the visitors. The same newspaper claimed the Hungarians had won a 'double victory', but winning the game and also winning over the crowd. They also applauded 'the class of the game played in Central Europe', a far cry from the criticism thrown at visitors from the home of football. It was clear that British football was falling far behind.

The crossed back to Uruguay to lose 2-1 to Penarol, in a game marked by controversy and refereed by one of the Uruguayan side's staff, and then back to Argentina where they beat Racing 2-1, taking a 2-0 lead early on through superstar Jozsef Turay.

Far from the disappointment of their first game in Argentina, by the time August came and they took on the national side, people were clamouring for tickets at the sold out game. Carlos Spadero, a player from Buenos Aires, described them as 'the best team that I have seen in my life,' Playing with speed and grace, opposing players had to be at their absolute best to contain them, something most failed to do. Argentina did though, just about, scoring two late goals to see off the Hungarians. The game was contrasted with the visit of Torino that same year, described as 'mediocre'.

Ferencvaros finished their time in Argentina with another win against Racing, before sailing back up the coast for a final farewell in Brazil. There were hopes that the clash between South American champions and European innovators would continue at the World Cup the following season. Unfortunately for those dreams, Hungary, Austria and Czechoslovakia all chose to focus on the Cup of Nations instead, and didn't travel to Uruguay in 1930.

The influence of the Green Ballet lasted though, with football in South America remembering the fiery tempers of Mediterranean visitors and the cold efficiency of British tourists. Ferencvaros, with their movement, their passing, and their passion, represented the best of South American football, even from the middle on another continent.

Enjoy the Game.

WE NEED YOU

We are after people to join our Media team. We are now covered by a videographer, but we really need a photographer, we could also do with someone to write match reports and help compile the matchday programme. It would be great to have write ups to send to local papers and other outlets. Someone willing to up our Reels output would be good too. If you fancy any of those please get in touch. info@cambeleytownfc.co.uk
