From the editor

I'd like to wish you all a warm welcome to Krooner Park for this afternoons match. I'd especially like to welcome the Players, Supporters, and officials from todays visitors Alton.

I Hope you all enjoyed Christmas and everyone at the club wishes you a fabulous new Year.

We are now 21 games into our league season, and we are sitting 16th. The league seems to be taking shape now with little groups emerging. Top 5 are pulling away from the rest then the 6th to 10th, then 11th to 18th, then the bottom 2 seem to be slowly drifting away. Long way to go still and you often see 1 team put in a run and 1 starts sinking but often the mid point table is not far off from what we see at the end. Lets hope it is us who puts the run in.

Been a mixed bag over the last few games a draw in the mud against Cobham which was probably a fair result, a brilliant victory over Tadley and a fair if a little frustrating draw away to Balham. Epsom on the 3rd was one of those results where things were against us the boys did what they could but the result wasn't going to come. Against Knaphill last Saturday probably the right result but the scoreline flattered them a bit.

As we go into the winter months now the pitches get heavy the weather gets colder I know coming to football may not be the first thing on peoples minds, this is when we need your support the most. Starting with the early kick off against Jersey next Saturday.

I'd like to mention our YouTube page where we are now putting highlights of our games. We can always do every match but Billy our Videographer does his best to get to as many as he can.

If you are able we are always looking for sponsors. We have a number of packages available, Ball sponsorship, Match day, players, Programme, hoardings. Social media. Be it individual or a company we will be able to find something that suits you. drop us an e-mail at info@camberleytownfc.co.uk

Redevelopment

After lots a behind the scenes work we are pleased to show you pictures of plans for the future of Krooner Park. It's been a long time coming, and we are now in the hands of the council to give us the go ahead. More information is available on the Surrey Heath planning website (Search Krooner)

This is something the club wants and needs to secure the future we all want to see, it is also a great opportunity to show Camberley the town has something to be proud of.

It would be great if you feel able to go to the planning page of Surrey Heath council and show some support for this project (application24/0738/FFU) , this is something that will keep the club going for many years. We have been at Krooner park for 100 years and without something like this who knows what the future holds. Not to mention hundreds of children who could benefit from this facility.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 was a disappointing season which was entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the newly instigated playoffs.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Alton FC

Formed : 2016 (current)

Home Ground : The Exclusive Networks Stadium

Last Season : 7th Combined counties Premier South

The current Alton FC was formed by the merger of Alton Town FC and Alton United Youth FC in 2016.

Previously the senior section (Alton Town FC) was formed in 1990 when Alton's two senior clubs, Alton Town and Bass Alton, amalgamated. Alton Town had been fantastically successful, winning everything in Hampshire in the period from 1947 to 1956 including Hampshire leagues Divisions 3, 2 & 1 (1948, 1949 & 1958), the Hampshire Intermediate Cup in 1949, the Russell Cotes Cup in 1949 and the Hampshire Senior Cup in 1958.

Alton Town first joined the Hampshire League in 1946 and won Division 3 East in their first season. However they were denied promotion due to a league reorganisation and the addition of extra teams to the Hampshire League. More success followed with the Division 2 title in 1948/49 and they also won the Russell Cotes Cup and Hampshire Intermediate Cup that year. Although they dropped to Division 2 for one season in 1954/55, they bounced back immediately and went on to win both the Division 1 championship and the Hampshire Senior Cup in 1957/58. They stayed in Division 1 until they left in 1973 to join the Athenian League Division 2 which they won in their first year. After an initial period of success in that league the Club found itself unable to compete and dropped down to the Combined Counties League before returning to the Hampshire League in 1984, starting at the bottom in Division 3. They found themselves in Division 2 in 1986/87 by dint of winning the Division 2 title for the third time.

Bass Alton started life as Courage & Company (Alton) FC and joined the Hampshire League in 1928/29. The following year they were in Division 2 and then won promotion to Division 1 where they stayed until being relegated to Division 2 in 1938/39, just before the club was disbanded for the War.

Courage rejoined the North Hants division briefly in 1954/55 before beginning their longest spell in the County League in 1972/73 when they entered Division 4. Promoted to Division 3 in 1975, they only lasted two years before dropping to Division 4 again. In 1979/80 the Club changed its name to Bass Alton FC and its fortunes changed with the name as they won promotion in successive years to Division 3 in 1979/80, to Division 2 in 1980/81 and to Division 1 as Division 2 runners-up and the end of the 1982/83 season after a 45-year absence.

Since the amalgamation, the Club has played in the Hampshire League and achieved promotion to the Wessex League by topping the Premier Division in 2002, moving to the Premier Division of the Cherry Red Records Combined Counties League from season 2013-14.

Season 2015-16 saw Alton Town moved back in the Sydenhams League (Wessex) after the FA re-organisation of step six. After a few years of indifferent performances, we went for a more local management team as we looked to encouraged the flow of players from the Youth set up through to the First Team.

Following the FA Restructure of the pyramid and two successful, albeit aborted seasons we have were promoted to step five and the Wessex Premier Division for season 2021-22. A middle table finish was followed by more lateral movement as the FA moved us back to the Combined Counties League Premier Division South, for season 2022-23 and this is where we remain today.

Last season saw us finish in our highest league position for a number of years and with continued support from main sponsors Coomers and Exclusive Networks the long-term future for the club after years of uncertainty looks bright.

David in a Land of Goliaths

'The best ideas are made in pubs'. Or so goes the old Czech saying. So when, a few months after the conclusion of the Second World War, nine men met in U Kovore pub in a village deep in hops-growing country, 50 miles to the west of Prague, it's no surprise that the best idea they ever had was that they needed a football team to represent themselves and their neighbours. A whip round the residents raised the equivalent of £3000 for a blue and yellow kit, and so Blšany founded a football team, appropriately named Chmel; hops. Half a century later, with a population of less than 400, that tiny village very nearly upset the established European order.

The village team were happy playing in the lowest reaches of the Czech league system. With such a tiny local population, it would have been near-impossible for them to achieve any notable success. They developed players from the village, occasionally bringing in outsiders, and lived and died, like most non-league teams, on the efforts of their volunteers. The nearest town, Zatec, only has 19,000 residents, just enough to support their own team in the lower leagues. So when goalkeeper Frantisek Chvalovsky joined their youth team, it is fair to say nobody would guess how he would change the fortunes of Chmel. He graduated to the first team, and spent his two decade career with the club, making connections in the local and then national FA, whilst building a successful business career. He bought the club in the mid 1980s, and was appointed chairman of the Czech FA in 1991. He only hung up his gloves after achieving all that, in 1993.

During his time as his country's chief administrator he oversaw a golden period of Czech football, culminating in the side's defeat in the final of Euro 96. His business interests, meanwhile, were booming, bringing in €100m each year. He bought the club he had played for, ploughing money in with a serious ambition; reach the top flight, if only for one season. Remarkably, with his ambition and his money, it worked.

Chmel progressed up the leagues in the 1990s, settling in the second tier, until the arrival of Miroslav Beranek in 1996. The manager had lost his job at Czech giants Slavia Prague the previous season for failing to win the league, and Chvalovsky paid handsomely for his services. Alongside the owners generous investment, the club worked hard to develop young players and sell them on for significant profit. Following Beranek's arrival, Jan Simak became the first high profile player to join the club, from top flight Ceske Budejovice. By 1998, Chmel were winning promotion to the top flight.

Chvalovksy had initially intended for his club to spend 'at least one season' amongst the Czech elite, but exceptional recruitment meant they were destined for much greater heights. First up was goalkeeper Ales Chvalovsky; the owner's son. The media cried nepotism, but Ales had established himself as a regular in the U21 national side, losing the Euro U21 final in 2000 and 2001. He was first choice for Chmel's first season in the top flight, and spent seven years in that division before moving to Cyprus. Future Czech international Vaclav Drobny joined him, and Chmel surprised everyone by not only surviving relegation, but fighting their way into the European places. The 1999-2000 season would see the tiny village of 400 people represented in the Intertoto Cup.

A teenage Petr Cech was recruited for that European campaign, and unsurprisingly lifted the performances to a whole new level. The quiet rolling hills around Blšany were perfect for training retreats, so Chvalovsky invested €3.6m in a hotel complex, bringing in welcome additional revenue for the club. Everton, Marseille and Bayern were among the visitors. As the season started, other European sides made their way to the 4000 seater Mestsky Stadium. Belorussians Dnepr Mogilev were dispatched 8-2 over two legs before Kalamata made the trip from Greece to concede just as many, without scoring. Chmel found themselves in the semi-finals of the Intertoto Cup, but compatriots Sigma Olomouc proved too much for them.

The following season, Chmel once again got to the semi-finals but lost, in heartbreaking circumstances, to Brescia. But the good times were beginning to end. Petr Cech was sold to Sparta Prague for €750,000, and a further half a million when he moved to France. Drobny went direct to Strasbourg for €1m. Jan Simak moved to Germany for €1.25. And Chvalovsky, ever the maverick character, was arrested for fraud. Chmel held their ground in the top flight for a while, but once the decline came, it was fast and it was terminal.

The village team finally suffered relegation in 2006. It was the first of four relegations in four years as funding in the side collapsed. Despite attempts to revive their fortunes, in 2016, with no new funding and difficulty attracting players, Chmel announced their ultimate demise, and ceased to exist.

They were, for a time, the smallest settlement in Europe to host a top-flight team, and were a goal away from a European final in 2001. They proved that David can compete with a whole host of Goliaths, but when it goes wrong, Goliath exacts punishing revenge.

Enjoy the Game.
