## From the editor

I'd like to wish you all a warm welcome to Krooner Park for this afternoons match. I'd especially like to welcome the Players, Supporters, and officials from todays visitors Cobham.

We are home again today after last Saturdays trip to Redhill, although the result looked like many that Redhill will get this season, the performance was one the boys can be proud off.

Cobham today will be another tough test and we'll need to be at our best to get the points.

Special mention to Jacob Wheeler who hit 100 first team appearances for us. Jacobs been with us a while now, and even though hes a Chelsea supporter its good to have him here.

As you may have seen on Social media Regan Hitch, who although hasn't been in a Krooners shirt for a while suffered a bad injury last week and could really do with your support. There is a go Fund me page been set up for him as he will not just be missing football but he won't be able to work for a long time, could be as much as 2 years. If you are able to help no amount is too small please do

<https://gofund.me/0e84ec8f> .

The Next social at Krooner Park is on tonight (23th November) it is a quiz Night and it would be great to get a few supporters there to give the players some competition.

If you are able we are always looking for sponsors. We have a number of packages available, Ball sponsorship, Match day, players, Programme, hoardings. Social media. Be it individual or a company we will be able to find something that works. Please drop us an e-mail at [info@camberleytownfc.co.uk](mailto:info@camberleytownfc.co.uk)

# Redevelopment

After lots a behind the scenes work we are pleased to show you pictures of plans for the future of Krooner Park. It's been a long time coming, and we are now in the hands of the council to give us the go ahead. More information is available on the Surrey Heath planning website ( Search Krooner )

This is something the club wants and needs to secure the future we all want to see, it is also a great opportunity to show Camberley the town has something to be proud of.

It would be great if you feel able to to go to the planning page of Surrey Heath council and show some support for this project ( application24/0738/FFU ) , this is something that will keep the club going for many years. We have been at Krooner park for 100 years and without something like this who knows what the future holds. There are some that would be happy to see us fail in a bid to better ourselves, not to mention hundreds of children who could benefit from this facility.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 was a disappointing season which was entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the newly instigated playoffs.

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Formed : 1886

Home Ground : Reg Madgwick Stadium

Last Season : 4th Combined Counties Premier South

Formed on Friday 5 November 1886 by Founding President, Hon. Alan Egerton MP and villagers connected with the local Coffee Tavern. The Vicar offered to supply it with a football. On 4 November 1890, The Evening Telegraph reported on the death of our Centre Half, Arthur Smith, following injuries sustained in a match vs Kingston Wanderers. In 1892, the Club affiliated to the Surrey FA. The home ground was never settled with various fields around the outskirts of the village being used at different times. During the late 1920's they played in the Kingston and District League winning division 1 in 1928/29 and 1929/30. Following the Club gaining intermediate status in 1933, Cobham won the Surrey Intermediate League Cup (Central) in 1933/34 and 1935/36. The Club achieved senior status in 1938 upon election to the new Surrey Senior League. The war years between 1939 to 1945 saw a vote to agree a temporary merger with the Avorians Sports Club to form Cobham Avorians to ensure local football continued.

After the War, the Club made home at Cobham recreation ground until 1955/6 when it moved to Anvil lane also known as the Leg o' Mutton field. The club took its nickname from the word anvil and thus became the Hammers. Phil Walker and Trevor Lee of Millwall FC and Cricketer Bob Willis of Surrey & England are amongst famous ex-players. During the 70's, 80's and 90's the club had a really good local feel with the ground being a vibrant hub of football. The World Famous Rock Band, Moody Blues, played an Annual Charity Match at Cobham Football Club, giving us our record attendance of 2,000 in 1974/75. The floodlights were installed in season 1996/97 and were christened with a game against Conference side Woking FC on 18th February 1997.

The Hammers were founder members of the Combined Counties League moving up from the now defunct Surrey Senior League. They finished second to Ash United in 1998/9. Amongst long serving stalwarts such as Dave Tippetts who first joined the club in the 1980's, the pride of place on the clubhouse wall goes to a painting of Reg Madgwick, who served as player, committee member and fund raiser. When he died in 1995, he requested his ashes be scattered on the pitch and left all his worldly possessions to the club and the decision was made to rename the ground The Reg Madgwick Stadium in his honour.

The Club won the Combined Counties Premier League Challenge Cup in 2001/02 beating Bedfont FC 3-2. After the stand went up in 2004, the club was a mainstay in the Combined Counties Division 1 under the guidance until 2015 of the late Ken Reed who died in 2018. After a new committee was elected in 2015 led by Dave Tippetts, the club has built its Junior football with 16 sides to compliment the men's team and the new seated stand, new fencing and the dual turnstile were put in during April 2016 to allow the ground to achieve a Grade D (Step 4) rating.

2017/2018 saw the club promoted to the Combined Counties Premier Division under the guidance of Sam Merison and the introduction of an Under 23 side to support the first team. During the covid years, Cobham enjoyed record cup runs in the FA Cup (1st qualifying round) and last 16 of the FA Vase in 2020/21. The club most recent trophies are the unique weekend double achieved by the Under 23's winning the Surrey Elite Intermediate League's Reserve Division Covid Cup & Challenge Cup in 2021 beating Frimley Green Under 23's & Virginia Water Reserves both on penalties. This adds to their 2019 triumph over SCR FC under 23's also on penalties to win the Combined Counties Development League Cup. Craig Lewington took over as First Team Manager in June 2022. In 2023 Sam Merison and Dave Tippetts led the development of the clubs new £1m artificial grass pitch. Committee stalwarts such as Ewemade Orobator and Mark Cornish have helped to grow the club and gain many of the town's businesses on board as sponsors and suppliers. The Hammers are on a firm footing as a 2 star accredited club, with the town and families at the heart of our plans.

# The Green Ballet

By the 1920s, tours by European teams in South America were becoming old hat. The visits that had once enlivened the sport, especially in Argentina, were seen as adding nothing to the development of the game. Where once these tours had delivered record crowds and new ideas to South American fans, their popularity was waning. Chelsea and Plymouth were singled out, but hardly unique, of British teams failing to offer anything innovative. Visits from Real Madrid, Barcelona and Espanyol were similarly disappointing. So it said something about the burgeoning future of the European game that, in 1929, excitement was restored, with the visit of Hungarian side Ferencvaros.

Football in Austria and Hungary had been developing a unique style since before the First World War, driven by the visionary work of Austrian Hugo Meisl and Englishman Jimmy Hogan. The Danubian school of a whirlwind of passes and movement would make Austria the envy of the world in the following decade, and culminated in the 1950s Golden Team of Hungary that defeated England at Wembley in 1953 and lost the 1954 World Cup final. In 1929, however, it was just beginning to show shoots of success.

Ferencvaros had finished second in Hungary that season, and won the league in the three preceding years. They were fresh from winning the Mitropa Cup, one of the forerunners of the European Cup. But Argentina felt hard done by to have lost the Olympic final to fierce rivals Uruguay in 1928, and would feel even worse when losing to the same opponents in the first World Cup final in 1930. The Danubian school hadn't achieved any real international success. The balance of international footballing power was most certainly in South America when the Green Ballet arrived, first in Brazil.

Despite some mixed results - the consequence of a long journey - the Brazilian press lauded them as the most exciting side to visit the continent in years. They moved their way down the coast to the Rio de la Plata, where the two giants of 1920s football were waiting for them. Argentinian football had been following the Danubian school for some years, with reporters in Vienna keeping readers up to date. Hugo Meisl had invited both Uruguay and Argentina to visit the city after watching them at the Olympics, to exchange ideas. That visit had never happened, but now his ideas had arrived at the home of the World Champions.

As it was, the World Champions were as dazzled by Ferencvaros as the rest of the world, as Uruguay lost 3-2. The Hungarians defeated a Montevideo XI 4-1, before Uruguay claimed revenge in a rematch. The tour continued across the river into Argentina, where just 5000 people turned up to watch them play River Plate, something the national newspaper called 'an injustice of indifference'.

Those that did attend were treated to a spectacular, topsy-turvy game that finished 4-3 to the visitors. The same newspaper claimed the Hungarians had won a 'double victory', but winning the game and also winning over the crowd. They also applauded 'the class of the game played in Central Europe', a far cry from the criticism thrown at visitors from the home of football. It was clear that British football was falling far behind.

The crossed back to Uruguay to lose 2-1 to Penarol, in a game marked by controversy and refereed by one of the Uruguayan side's staff, and then back to Argentina where they beat Racing 2-1, taking a 2-0 lead early on through superstar Jozsef Turay.

Far from the disappointment of their first game in Argentina, by the time August came and they took on the national side, people were clamouring for tickets at the sold out game. Carlos Spadero, a player from Buenos Aires, described them as 'the best team that I have seen in my life,' Playing with speed and grace, opposing players had to be at their absolute best to contain them, something most failed to do. Argentina did though, just about, scoring two late goals to see off the Hungarians. The game was contrasted with the visit of Torino that same year, described as 'mediocre'.

Ferencvaros finished their time in Argentina with another win against Racing, before sailing back up the coast for a final farewell in Brazil. There were hopes that the clash between South American champions and European innovators would continue at the World Cup the following season. Unfortunately for those dreams, Hungary, Austria and Czechoslovakia all chose to focus on the Cup of Nations instead, and didn't travel to Uruguay in 1930.

The influence of the Green Ballet lasted though, with football in South America remembering the fiery tempers of Mediterranean visitors and the cold efficiency of British tourists. Ferencvaros, with their movement, their passing, and their passion, represented the best of South American football, even from the middle on another continent.

Enjoy the Game.

## WE NEED YOU

We are after people to join our Media team. We are now covered by a videographer, but we really need a photographer, we could also do with someone to write match reports and help compile the matchday programme. It would be great to have write ups to send to local papers and other outlets. Someone willing to up our Reels output would be good too. If you fancy any of those please get in touch.
