From the editor

I'd like to wish you all a warm welcome to Krooner Park for today's match. I'd especially like to welcome the Players, Supporters, and officials from today's visitors Knaphill. Hope you enjoy your short stay with us today. We know today is going to be yet another hard game they always are against Knaphill.

A special thanks today also go to our match Sponsor Michael Usher who have again supported us this season. Thanks Again.

Today is our last Saturday Home game of the season. We do have 1 away and 2 home matches to go but the games here at Krooner park against Fleet & Tooting & Mitcham are both on Tuesday nights.

We are drawing towards the end of the season now and I would like to thank everyone who has been through the turnstile this season. You have all helped the club in one way or another and we appreciate it so much. Thanks for being part of the Krooner family.

I'd like to mention our YouTube page where we are now putting highlights of our games. We can always do every match but Billy our Videographer does his best to get to as many as he can.

If you are able we are always looking for sponsors. We have a number of packages available, Ball sponsorship, Match day, players, Programme, hoardings. Social media. Be it individual or a company we will be able to find something that works. Please drop us an e-mail at info@camberleytownfc.co.uk

Redevelopment

After lots of behind the scenes work we are pleased to show you pictures of plans for the future of Krooner Park. It's been a long time coming, and we are now in the hands of the council to give us the go ahead. More information is available on the Surrey Heath planning website (Search Krooner)

We are near the end of the process now and hopefully we will get the response we want at the council planning meeting on the 20th. (or whenever they get to listen to it now)

As you might have seen, we have had a few more Spanners thrown at us and that is why we are still waiting for the decision from the Council. Keep your fingers crossed, hopefully we'll find out soon.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 was a disappointing season which was entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the newly instigated playoffs.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

AFC Croydon Athletic

Formed : 1924

Home Ground : Redding Way

Last Season : 3rd Combined Counties Premier South

The club was founded in 1924 and originally played its home games at Waterer's Park, Knaphill. Over the years the club have been one of the most successful sides in the Surrey and many players have gone onto to play at higher levels of football.

In 2004 we moved to our present home of Redding Way, Knaphill and in 2007 we won promotion to the Combined Counties Football League where our first team currently compete in the Southern Premier Division.

We are an FA Standard Charter Club. Accomplished on the field and professionally organised behind the scenes, we are rightly proud of our highly regarded set-up and football achievements down the years. Our ambition to compete successfully at the highest levels of the amateur game is underpinned by a young and exciting squad, a talented and hard-working staff and the ceaseless efforts of our management committee through whose vision and dedicated service we are constantly striving to improve every aspect of the club's operations. While there is much that is both contemporary and progressive about our set-up, our fiercely competitive spirit on the pitch and the warm and friendly welcome extended to all in our ground are traditions which have been handed down from generation to generation through the best and worst of times since our earliest beginnings in 1924.

Towards the end of the 2010/11 season the new floodlights and seated stand were installed which enabled us to continue in our leagues and to compete in the FA Cup, FA Vase, Surrey Senior Cup and FA Youth Cup. Since then, we have added a further 50- seater stand as well as additional covered standing areas. Despite the turbulent seasons of 2020/21 and 2021/22 with a new management team and now in 2022/23 with Chris Drane as the new chairman, we are committed to firstly lifting this local club to the highest level the facility can host – with an eye of blending experienced seasoned players at this level with exciting younger players we are hoping to have a successful season. We base this success on being self-sustainable, through our hard-earned sponsorship deals and dedicated staff providing a top-class experience of level five semi-pro football.

Today, we are proud to carry on these traditions and long may they continue to be the things by which we are known. For a small village club in our 100th year, we will continue to grow from strength to strength with help from the local businesses and supporters, we look forward to many new faces coming down to Redding Way to see what we are all about.

Last season saw Knaphill make it into the 1st playoffs where they missed out to AFC Croydon in front of a bumper crowd at home.

Local Legend

Everyone loves a home-grown hero. Someone who comes from the area of the club, who understands its unique place within its community, who identifies with the fans. It adds a little spice for a derby day, and makes their commitment to the cause seem all the more authentic. And there are few clubs in world football who can boast more home-grown heroes than Athletic Bilbao. The Basque club only signs Basque players, probably costing them significant periods of success, but keeping the identity of the team fiercely local. And there is no Basque legend who stands out more than the incomparable Telmo Zarra.

Zarra was born in 1921, in the northern Basque town of Erandio just south of the Bay of Biscay. His father, Telmo Zarronandia, was an engineer and the manager of the station at Asua, where Telmo Junior was born, and football was part of the family. His brothers Tomas and Domingo, both a decade his senior, were regulars in La Liga for Basque side Arenas de Getxo. Tomas provided young Telmo with a football from the club, and despite his father's disapproval and his own shyness of his incredible ability, his talent shone through.

After impressing with junior sides around the town, at 16 Zarra was signed by Second Division side S.D. Erandio, where he was slowly shepherded into the first team. In his first season, he played a handful of times, but in his second he made twenty appearances, scoring twelve goals, and catching the eye of bigger suitors. At the end of that season, aged just 18, he moved to Bilbao. His time at Athletic would define Spanish football for decades.

The Spanish Civil War had finished just a year earlier, with victory for the Fascist Franco and the death of Telmo's brother Domingo, but the fallout of that conflict curtailed a promising opening season for the younger Zarra at Bilbao. After six goals in his first eight games, he was called up for national service and sent to the Spanish enclave of Ceuta on the African coast. He would be gone for a year, but when he returned his legend began.

The 1941-42 season saw Zarra rediscover his goalscoring form, smashing in 26 goals in 28 games and finishing as the club's top scorer. The following season he got a goal per game over 25 appearances, as Bilbao won a league and cup double. He was top scorer once again, something he achieved in 10 of his 15 seasons with Athletic.

The club failed to capitalise on that success, and over the following decade won just one more league title, and four Copa del Generalísimo (now the Copa del Rey). But the lack of consistent success didn't blunt Zarra's consistent goalscoring. He topped the league goalscoring charts between 1944 and 1947, and in the final season of that run equalled the highest ever number of goals in a single La Liga season. In 1950-51, he smashed that record with 38 goals in just 30 games. His new record stood for seventy years, eventually being beaten by Cristiano Ronaldo in 2011.

Sadly for Zarra, he suffered a broken leg in the off-season after breaking that record, meaning he missed the whole of the 1951-52 season, but he returned to form in 1952-53, scoring 24 more goals and winning the inaugural Pichichi award, given to the league's top goalscorer by the sports newspaper Marca. It was particularly fitting, as the award was named after the nickname of another Bilbao legend, Rafael Moreno.

Zarra continued to score goals for the club as his legend grew, playing two more seasons in Bilbao before finally moving on in 1955. He made a handful of appearances for other Basque clubs until 1957, but his status was secured in Bilbao.

His record of 251 goals in 257 appearances stood for nearly six decades, until Lionel Messi overtook him in 2014. He matches the Argentinian's goals per game ratio, although Cristiano Ronaldo bettered it, and also overtook him in total goals scored in 2015. But in the Copa del Rey, his record looks unassailable. 81 goals across 18 years stormed past the record set by Josep Samitier, and where Zarra played for a middling side, Samitier played for both Real Madrid and Barcelona. Since Zarra set his record, Messi is the player who has come closest to it, but he fell a full 25 goals short. No current La Liga player has even 50.

Telmo Zarra might not be as recognisable a name as his contemporaries Alfredo di Stefano and Ferenc Puskas, but his goalscoring was far higher than both of those genuine global superstars. So when the history of Spanish football is written, in one corner of northeastern Spain at least, there is one name that stands out above them all.

Telmo Zarra.

Enjoy the Game.
